Clint,

I ordered a radiator support (via Paragon) of a 1970 BB I'm restoring and was so happy when it arrived and had your name on it.

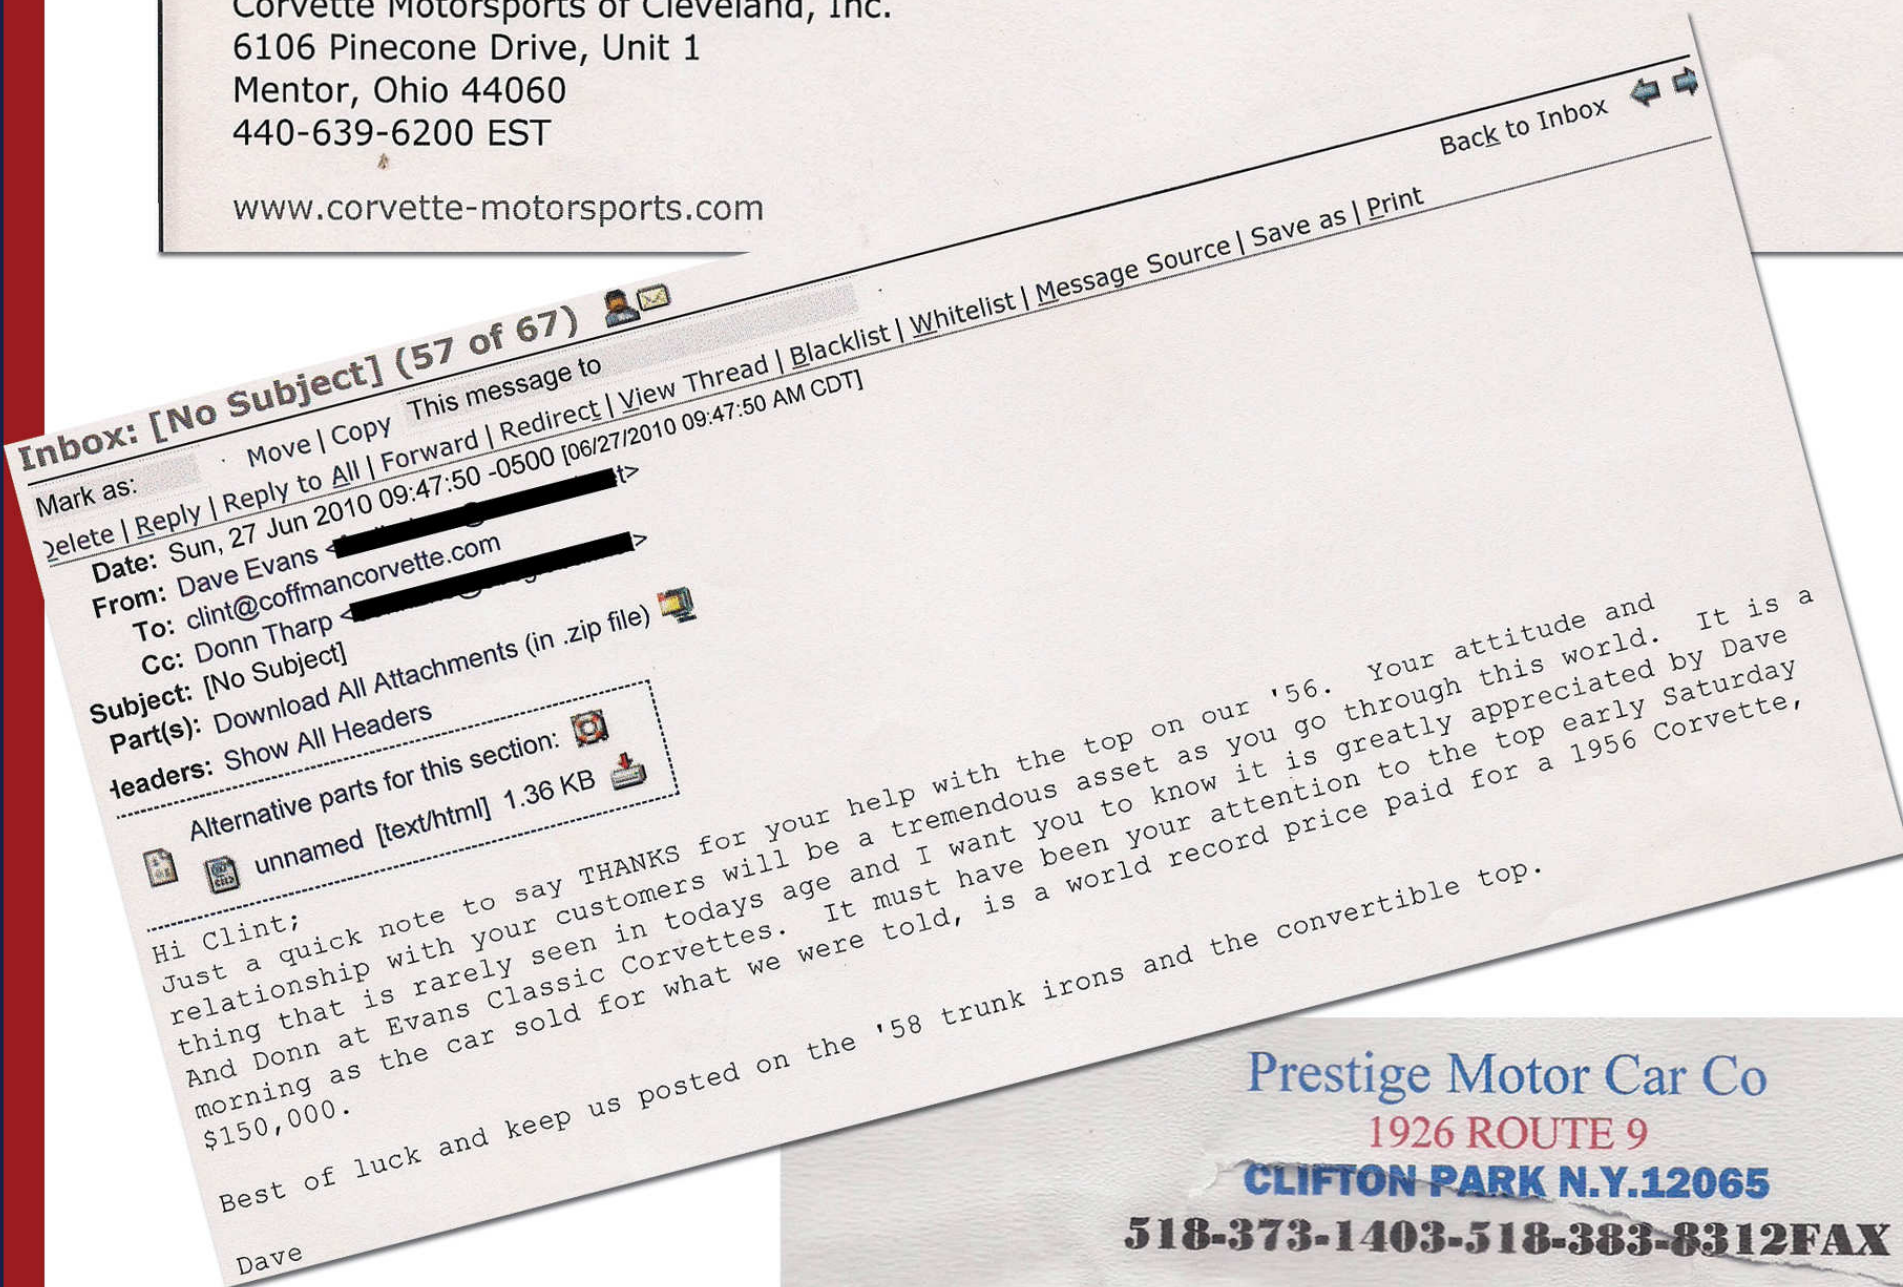

I met you years ago at Carlisle and didn't know you were making radiator supports, this one is perfect!

I was so happy to see it I emailed photo's to my customer.....keep up the good work. I'm a small shop in Mentor, Ohio and it makes my job alot easier getting goooood parts.

Thanks again,

Bob Cultrona
